Coalition for the Homeless, Inc.

FOR IMMEDIATE RELEASE

Lafayette, Ind.- There will be a special city council meeting next Tuesday concerning the possible donation of city land to Coalition for the Homeless, Inc.

The Coalition was recently formed in response to the overwhelming need for greater support to the Lafayette homeless. They are hoping to secure the land valued at \$100,000 so as to build a much needed shelter.

Jennifer Layton, head of Lafayette Transitional Housing, said that the new shelter is needed, as the current location can no longer support the burden.
